

Dear Parents and Guardians

This year we are holding a Ukulele after school club with Paul Ashman. In Term 1 it is going to be Year 3. There are 15 spaces, and it is a first come first service. It will start on Wednesday 12th September.

It will cost £12 for the whole term and this needs to be paid through ParentPay.

This is a great opportunity for your child to learn a different instrument. At the end of each term, Paul and the children will put on a performance so you are able to see the skills that they have learned.

If this is something that you are interested in, please return your slips to the office and you will receive a text to say if your child has been given a space.

Thank you

Miss Fidler and Miss Price

Ukulele Club- Paul Ashman
