

Dear Parents and Carers

Miss Ahmed, Miss Leach and I hope you and your family are well.

Due to covid-19, we have not been able to have the contact we would usually have. You most likely have lots of questions that you would like answered.

At Drove we use a platform called Class Dojo. We use this as a reward system for your child at school. We would like to open up the messaging system to you. You will be able to access this from the 20<sup>th</sup> July 2020.

On the school website, we will provide you with lots of activities to do with your child at home. You will be able to send your class teacher pictures of the work and activities your child had done

Please note, that the messaging system is not to be used to hold conversations with the teachers or message outside of school hours. Class Teachers will access Class Dojo during school hours (Monday-Friday 9:00am-3:30pm). This will ensure that the system is manageable for the teachers involved.

Once you have received your Class Dojo Code via text message. You can download Class Dojo on your phones. Please follow the instructions below:

### **New to ClassDojo?**

1. Download the ClassDojo app
2. Open app and tap 'Parent' to create a parent account
3. Enter name, email & create a password
4. Tap 'Add child (+)' and use this code:

Thank you for your continued support

Mrs Phillips
