

Reception Newsletter Term Three

Dear Parents and Carers,

Topic

In term three Reception will be focusing on the magical world of Disney. We will be focusing on the movies Up, Cars, Frozen, Aladdin, Beauty and the Beast and Toy Story to help the children to develop the children's skills in Literacy and Maths and also demonstrate their creative personalities through art and drama. We will also learn about Chinese New Year.

PE

Your child will still be taking part in PE every Thursday so they will need a PE kit as shown below. You may want to check your child's PE Kit as since the beginning of September, as I'm sure you've noticed already, they may have grown and therefore their PE Kit may not fit them anymore. This will need to be labelled and in a bag on their peg every day. Swindon Town Football Club in the Community will no longer be working with the children as sadly their two terms have finished. The sessions will now be taken by the class teachers. The focus will still be on developing the children's fundamental skills; running, catching, jumping etc.

Black Shorts

White Tee shirt

Daps

Bag

Once again Paul Ashman Cycling will be working with the children. This term Mr Bowers' class will be taking part in the Balancability Programme as Miss Crow's have finished their two term cycle. As mentioned previously, this will carry over to Term Four.

Reading and Phonics

Just a reminder that as a school we ask that you read with your child each day and record it in their reading record. Encourage your child to look carefully at the pictures and tell a story about what they see. Please encourage them to use their robot arms to help them to blend the word. Phonics books will continue to be sent out on a Friday. Please help your child write the letters they have learnt each week. Reception children will also be given a Reading Eggs login this term. This is a programme that the rest of the school uses and something that we are all excited to use. More information will follow about Reading Eggs.

Miss Hiscocks (RF)

As part of her Schools Direct programme, Miss Hiscocks will temporarily be moving to another school in the White Horse Federation to gain experience of another year group and cohort of children. We will be joined instead by Mrs Oliveira from The Croft for term three as a replacement. She will be working alongside Miss Fidler in RF.
