Chn voted and decided that Emily Cardoza ( 5 W) was appointed to be the Chair and Deric Vas ( 3 K) was appointed to be the Vice Chair.

**2. Preparing the display for the hall.**

Took pictures for the display and discussed about how the display will look like. Because the motto of our school is ' the roots to grow and the wings to fly', the children decided that will be a good idea to create a tree and on the leaves to write what Drove means for us. Each member took five leaves and

they asked their classmates and their teachers to fill them in. Deadline - 1 week, before the half term. Miss Gheorghe was in charge with creating the display.

3. School parliament badges.
