‘The Roots to Grow
and the Wings to Fly’

Welcome Back!

We hope you all had an enjoyable break and are ready to learn lots of exciting new things through your play. Coming to nursery every session provides your child with opportunities for them to learn vital skills and find out about the exciting world in which they live. It also shows your child that you consider their education to be important and sets expectations for the future. Our topic this term is **Celebrations**. Our ‘Celebrations’ focus will see us finding out about how and what people celebrate. We will explore traditional food, decoration, music and clothing. Over the term, we will specifically focus on ‘Fireworks’, ‘Diwali’ and ‘Christmas’. As we would like to make these as personal and special for the children as possible if you have any photographs/books/artefacts please bring them to Nursery.

Suitable Clothing

Please ensure your children have the correct clothes to keep them warm and dry while playing outside. **Please write your child’s name on their clothing.** Clothes should be easy enough for the children to remove themselves, especially for easy toileting.

If you could practice some basic skills with your child at home, it would be very beneficial to their personal and social development:

- Putting on their own socks and shoes.
- Putting on their own coats/ zips/ buttons.

Taking books home

The benefits of reading with young children can often be overlooked. Reading to your child can help them develop across many areas, which include promoting an interest in books and the love of reading, language and vocabulary and an understanding of the world. We will send a book home that will be changed every Friday.

Christmas

Nativity Performance and Class Party – The children will sing Christmas song for our Nativity performance. The Christmas party will take place in Nursery at the usual time your child attends. They can wear party clothes! We will give you more details closer to the time.
